RULES OF THE HOUSE

Touching the Duties of Speaker

1. It shall be the duty of the Speaker to have the sessions of the House opened with prayer.

2. He shall take the chair every day at the hour fixed by the House on the preceding legislative day, shall immediately call the members to order, and, on appearance of a quorum, cause the Journal of the preceding day to be approved.

3. He shall preserve order and decorum, may speak to points of order in preference to other members, rising from his seat for that purpose, and shall decide questions of order, subject to an appeal to the House by any member, on which appeal no member shall speak more than once, unless by leave of the House. A $\frac{2}{3}$ vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

4. He shall rise to put a question, but may state it sitting.

5. Questions shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye'," and after the affirmative voice has been expressed, "Those opposed will say, 'No'." Upon a call for a division the Speaker shall count; if required he shall appoint tellers.

6. The Speaker shall have a general direction of the hall. He shall have a right to name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in case of sickness or by leave of the House.

7. All committees shall be appointed by the Speaker, unless otherwise specially ordered by the House.

8. In all elections the Speaker may vote. In all other cases he may exercise his right to vote, or he may reserve this right until there is a tie; but in no case shall he be allowed to vote twice on the same question.

9. All acts, addresses, and resolutions, and all warrants and subpoenas issued by order of the House shall be signed by the Speaker.

10. In case of any disturbance or disorderly conduct in the galleries or lobby, the Speaker or other presiding officer shall have power to order the same to be cleared.

11. No person except members and officers and clerks of the General Assembly, Judges of the Supreme and Superior Courts, State officers, former members of the General Assembly who are not registered under the provisions of Article 9 of Chapter 120 of the General Statutes of North Carolina, and persons particularly invited by the Speaker shall be admitted within the hall of the House: *Provided*, that no person ex-

cept members and officers of the General Assembly shall be allowed on the floor of the House or in the lobby in the rear of the Speaker's desk, unless permitted by the Speaker of the House.

12. No motion to suspend the rules for the purpose of extending the courtesies of the floor, lobby or gallery shall be made during the consideration of the Public Calendar, except upon motion of the Speaker.

13. Reporters wishing to take down debates may be admitted by the Speaker, who shall assign such places to them on the floor or elsewhere, to effect this object, as shall not interfere with the convenience of the House.

14. Smoking shall not be allowed in the hall, lobbies, or the galleries while the House is in session: *Provided*, that smoking may be permitted in the lobby in the rear of the Speaker's desk.

Order of Business of the Day

15. After the approval of the Journal of the preceding day, which shall stand approved without objection, the House shall proceed to business in the following order, viz.:

(1) The receiving of petitions, memorials, and papers addressed to the General Assembly or to the House.

(2) Reports of standing committees.

(3) Reports of select committees.

(4) Resolutions.

(5) Bills.

(6) The unfinished business of the preceding day.

(7) Bills, resolutions, petitions, memorials, messages, and other papers on the Calendar, in their exact numerical order, unless displaced by the orders of the day; but messages and motions to elect officers shall always be in order.

No member shall rise from his seat to introduce any petition, resolution, or bill out of order unless he is permitted so to do by a suspension of the rules.

On Decorum in Debate

16. When any member is about to speak in debate or deliver any matter to the House, he shall rise from his seat and respectfully address the Speaker.

17. When the Speaker shall call a member to order, the member shall sit down, as also he shall when called to order by another member, unless the Speaker decides the point of order in his favor. By leave of the House a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands but by permission of the House.

Any member may appeal from the decision of the Chair, and if, upon appeal, the decision be in favor of the member called to order, he may proceed; if otherwise, he shall not, except by leave of the House; and if the case, in the judgment of the House, require it, he shall be liable to its censure.

18. No member shall speak until recognized by the Chair, and when two or more members rise at the same time the Speaker shall name the member to speak.

19. No member shall speak more than twice on the main question, nor longer than thirty minutes for the first speech and fifteen minutes for the second speech, unless allowed to do so by the affirmative vote of a majority of the members present; nor shall he speak more than once upon an amendment or motion to commit or postpone, and then not longer than ten minutes. But the House may, by consent of a majority, suspend the operations of this rule during any debate on any particular question before the House, or the Committee on Rules may bring in a special rule that shall be applicable to the debate on any bill.

20. While the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is

speaking, entertain private discourse, stand up, or pass between him and the Chair.

21. No member shall vote on any question when he was not present when the question was put by the Speaker, except by the consent of the House. Upon a division and count of the House on any question, no member without the bar shall be counted.

22. Every member who shall be in the hall of the House for the above purpose when the question is put shall give his vote upon a call of the ayes and noes, unless the House for special reasons shall excuse him, and no application to be excused from voting or to explain a vote shall be entertained unless made before the call of the roll. The hall of the House shall include the lobbies and offices connected with the hall.

23. When a motion is made it shall be stated by the Speaker or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate. A motion to table or adjourn shall be seconded before the motion is put by the Speaker to the vote of the House.

24. Every motion shall be reduced to writing, if the Speaker or any two members request it.

25. After a motion is stated by the Speaker or read by the Clerk, it shall be deemed

to be in possession of the House, but may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be deemed and taken to be in possession of the House, and shall not be withdrawn without leave of the House.

26. When a question is under debate no motion shall be received but to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or amend, which several motions shall have precedence in the order in which they stand arranged; and no motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or amend, being decided, shall be again allowed at the same stage of the bill or proposition.

27. A motion to adjourn or lay on the table shall be decided without debate, and a motion to adjourn shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

28. In case of adjournment without any hour being named, the House shall reconvene on the next legislative day at twelve o'clock noon.

29. When a question has been postponed indefinitely, the same shall not be acted on

again during the session, except upon a 2/3 vote.

30. Any member may call for a division of the question, when the same shall admit of it, which shall be determined by the Speaker.

31. When a motion has been once made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for the reconsideration thereof, on the same or succeeding day, unless it may have subsequently passed the Senate, and no motion to reconsider shall be taken from the table except by a 2/3 vote. But unless such vote has been taken by a call of the ayes and noes, any member may move to reconsider.

32. When the reading of a paper is called for, which has been read in the Houses, and the same is objected to by any member, it shall be determined by a vote of the House.

33. Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker; a brief statement of the contents thereof may be verbally made by the introducer before reference to a committee, but shall not be debated or decided on the day of their first being read, unless the House shall direct otherwise.

34. When the ayes and noes are called for on any question, it shall be on motion

before the question is put; and if seconded by one fifth of the members present, the question shall be decided by the ayes and noes; and in taking the ayes and noes, or on a call of the House, the names of the members will be taken alphabetically.

35. Decency of speech shall be observed and personal reflection carefully avoided.

36. Any member may arise at any time to speak to a question of personal privilege, and upon objection to him proceeding, the Speaker shall determine if the question is one of privilege.

37. Fifteen members, including the Speaker, shall be authorized to compel the attendance of absent members. A quorum shall consist of a majority of the qualified members of the House.

38. No member or officer of the House shall absent himself from the service of the House without leave, unless from sickness or inability.

39. Any member may excuse himself from serving on any committee if he is a member of two standing committees.

40. If any member shall be necessarily absent on temporary business of the House when a vote is taken upon any question, upon entering the House he shall be permitted, on request, to vote, provided that the result shall not be thereby affected.

41. No standing rule or order shall be rescinded or altered without one day's notice given on the motion thereof, and to sustain such motion $2/3$ of the House shall be required.

42. The members of the House shall uncover their heads upon entering the House while it is in session, and shall continue so uncovered during their continuance in the hall, except Quakers.

43. A motion to reconsider shall be determined by a majority vote, except a motion to reconsider an indefinite postponement, or a motion to reconsider a motion tabling a motion to reconsider, which shall require a $2/3$ vote.

44. After a bill has been tabled or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject-matter shall not be embodied in any other measure. Upon the point of order being raised and sustained by the chair, such measure shall be laid upon the table, and shall not be taken therefrom except by a vote of $2/3$ of the elected membership of the House: *Provided*, no local bill shall be held by the Chair as embodying the provisions or being identical with any Statewide measure which has been laid upon the table, or failed to pass any of its readings. No amendment or rider to a bill before the House shall be in order unless

such rider or amendment is germane to the bill under consideration.

45. A motion to table an amendment sent up from the floor shall not be construed as a motion to table the principal bill or any other amendment which has been offered thereto, and if such motion is carried, only the amendment shall lie upon the table.

46. When a member desires to interrupt a member having the floor he shall first obtain recognition by the Chair and permission of the member occupying the floor, and when so recognized and such permission is obtained he may propound a question to the member occupying the floor, but he shall not propound a series of questions or interrogatories or otherwise interrupt the member having the floor; and the Speaker shall, without the point of order being raised, enforce this rule.

On Trustees of University.

The first member announced on each committee shall be chairman, and where the Speaker so desires he may designate a vice chairman.

48. Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to adopt a substitute adopted by the Senate for a bill originating in the House, a conference committee shall be appointed upon motion made, consisting of the number named in the motion; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In considering matters in difference between the House and Senate committed to the conferees only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report shall not be amended. Except as herein set out, the rules of the House of Representatives of Congress shall govern the appointment, conduct, and reports of the conferees.

49. In forming a Committee of the House, the Speaker shall leave the Chair, and a Chairman to preside in committee shall be appointed by the Speaker.

50. Upon bills submitted to a Committee of the Whole House, the bill shall be first read throughout by the Clerk, and then again read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the

page and line, shall be duly entered by the Clerk on a separate paper as the same shall be agreed to by the committee, and so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

51. The rules of procedure in the House shall be observed in a Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

52. In a Committee of the Whole House a motion that the committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

53. Every bill shall be introduced by motion for suspension of the rules, or by order of the House, or on the report of a committee, unless introduced in regular order during the morning hour.

54. All bills and resolutions shall be reported from the committee to which referred, with such recommendations as the committee may desire to make.

55. Every bill shall receive three readings in the House previous to its passage, and the Speaker shall give notice at each whether it be its first, second, or third reading.

56. Any member introducing a bill or resolution shall briefly endorse thereon the substance of the same.

57. When a bill has been introduced and referred to a committee, if after ten days the committee has failed to report thereon, then the author of the bill may, after three days' public notice given in the House, on motion supported by a vote of $\frac{2}{3}$ of the Members present and voting, recall the same from the committee to the floor of the House for consideration and such action thereon as a majority of the Members present may direct.

58. The Clerk of the House shall keep a separate calendar of the public, local, and private bills, and shall number them in the order in which they are introduced, and all bills shall be disposed of in the order they stand upon the Calendar; but the Committee on Rules may at any time arrange the order of precedence in which bills may be considered. No bill shall be twice read on the same day without the concurrence of $\frac{2}{3}$ of the members.

59. All resolutions which may grant money out of the Treasury, or such as shall be of public nature, shall be treated in all respects in a similar manner with public bills.

60. The Clerk of the House shall be deemed to continue in office until another is appointed.

61. On the point of no quorum being raised, the doors shall be closed and there shall be a call of the House, and upon a call of the House the names of the members shall be called over by the Clerk and the absentees noted, after which the name of the absentees shall again be called over. Those for whom no excuse or sufficient excuses are made may, by order of those present, if fifteen in number, be taken into custody as they appear, or may be sent for and taken into custody wherever to be found by special messenger appointed for that purpose.

Previous Question

62. The previous question shall be as follows: "Shall the main question be now put?" and, until it is decided, shall preclude all amendments and debate. If this question shall be decided in the affirmative, the "main question" shall be on the passage of the bill, resolution, or other matter under consideration; but when amendments are pending, the question shall be taken upon such amendments, in inverse order, without further debate or amendment. If such question be decided in the negative, the main question shall be considered as remaining under debate: *Provided*, that no one shall move the previous question except the member submitting the report on the bill or other matter under consideration, and the

member introducing the bill or other matter under consideration, or the member in charge of the measure, who shall be designated by the chairman of the committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

When a motion for the previous question is made, and pending the second thereto by a majority, debate shall cease; but if any member obtains the floor, he may move to lay the matter under consideration on the table, or move an adjournment, and when both or either of these motions are pending the question shall stand:

- (1) Previous question.
- (2) To adjourn.
- (3) To lay on the table.

And then upon the main question, or amendments, or the motion to postpone indefinitely, postpone to a day certain, to commit, or amend, in the order of their precedence, until the main question is reached or disposed of; but after the previous question has been called by a majority, no motion, or amendment, or debate shall be in order.

All motions below the motions to lay on the table must be made prior to a motion for the previous question; but, pending and not after the second therefor, by the

majority of the House, a motion to adjourn or lay on the table, or both, are in order. This constitutes the precedence of the motions to adjourn and lay on the table over other motions, in Rule 25.

Motions stand as follows in order of precedence in Rule 26:

Previous question.

Adjourn.

Lay on the table.

Postpone definitely.

To commit or amend.

When the previous question is called, all motions below it fall, unless made prior to the call, and all motions above it fall after its second by a majority required. Pending the second, the motions to adjourn and lay on the table are in order, but not after a second. When in order and every motion is before the House, the question stands as follows:

Previous question.

Adjourn.

Lay on the table.

Postpone indefinitely.

Postpone definitely.

To commit.

Amendment to amendment.

Amendment.

Substitute.

Bill.

The previous question covers all other motions when seconded by a majority of the House, and proceeds by regular graduation to the main question, without debate, amendment, or motion, until such question is reached or disposed of.

63. All committees, other than the Committee on Appropriations, when favorably reporting any bill which carries an appropriation from the State, shall indicate same in the report, and said bill shall be referred to the Committee on Appropriations for a further report before being acted upon by the House. All committees, other than the Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue or levies a tax or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Committee on Finance for a further report before being acted upon by the House.

64. The Principal Clerk and the Sergeant-at-Arms may appoint, with the approval of the Speaker, such assistants as may be necessary to the efficient discharge of the duties of their various offices, and one or more of whom may be assigned by the Speaker from the Principal Clerk's office to the office of the Attorney General for the purpose of drafting bills.

65. The Speaker may appoint a Clerk to the Speaker, a Chaplain of the House, and he may also appoint ten pages to wait upon the sessions of the House, and when the pressure of business may require, he may appoint five additional pages.

66. The Chairman of each of the following committees: Agriculture, Appropriations, Banks and Banking, Conservation and Development, Constitutional Amendments, Counties, Cities and Towns, Courts and Judicial Districts, Education, Elections and Election Laws, Employment Security, Finance, Health, Higher Education, Insurance, Judiciary No. 1, Judiciary No. 2, Manufacturers and Labor, Mental Institutions, Military Affairs, Propositions and Grievances, Public Utilities, Public Welfare, Roads, Rules, Salaries and Fees, Senatorial Districts, Veterans Legislation and Wildlife Resources may each appoint a clerk to the said Committee. All Committee Clerks heretofore provided for are to be appointed by and with the approval of the Speaker. With the exception of the Clerks appointed to the Appropriations and Finance, the Clerks to all the other above named committees, when not on duty with their specific committee shall report to and be under the supervision of the Principal Clerk of the House for assignment to special duty with other committees and to serve the convenience of the members of the House.

67. The Chairman of all committees shall notify, or cause to be notified, the first named introducer on such bills as are set for hearing before their respective committees, the date, time and place of such hearing.

68. That no clerk, laborer, or other person employed or appointed under Rules 64, 65, and 66 hereof shall receive during such employment, appointment, or service any compensation from any department of the State Government, or from any other source, and there shall not be voted, paid or awarded any additional pay, bonus or gratuity to any of them, but said persons shall receive only the pay for such duties and services as now provided by law. When the House is not in session the pages shall be under the supervision of the Principal Clerk.

69. The chairman and five other members of any committee shall constitute a quorum of said committee for the transaction of business.

70. The Committee on the Journal shall examine daily the Journal of the House before the hour of convening, and report after the opening of the House whether or not the proceedings of the previous day have been correctly recorded.

71. When a bill shall be reported by a committee with a recommendation that it be not passed, but accompanied by a minority report, the question before the House shall be "The adoption of the minority

report," and if failing to be adopted by a majority vote, the bill shall be placed upon the unfavorable calendar. Such minority report shall be signed by at least one-fourth of the members of the Committee who were present and voting when the bill was considered in Committee. In the event there is an unfavorable report with no minority report accompanying it, the bill shall be placed upon the unfavorable calendar. To take a bill from the unfavorable calendar, a 2/3 vote shall be necessary.

72. A bill from the unfavorable calendar shall not be debatable, but the movant may make a brief and concise statement of the reasons for the motion before making the motion, taking not more than five minutes.

73. Whenever a public bill is introduced seven carbon copies thereof shall accompany the bill, and any bill submitted without the required number of copies shall be immediately returned to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill. Such copies shall be daily delivered to the joint committee hereafter provided for. The Clerk shall deliver the carbon copies of the bill designated to be printed, as hereinafter provided for, to the Public Printer and cause four hundred copies thereof to be printed. On the morning following the delivery of the printed copies, the Chief Clerk shall cause the chief page to have one copy there-

of put upon the desk of each member and shall retain the other printed copies in his office. A sufficient number of the printed copies for the use of the committee to which the bill is referred shall be by the chief page delivered to the chairman or clerk of that committee. If the bill is passed, the remaining copies shall be by the chief page delivered to the Principal Clerk of the Senate for the use of the Senate. The cost of printing shall be paid from the contingent fund of the House of Representatives. The Chairman of the Rules Committee of the House and the Chairman of the Rules Committee of the Senate shall appoint a sub-committee consisting of two members of the House and two members of the Senate from the body of the House and Senate, and such chairmen shall notify the Principal Clerk of the House and the Senate who has been so appointed. Such sub-committee shall meet daily and examine the carbon copies of the public bills introduced and determine which of such bills shall be printed and which shall not, and stamp the copies accordingly. Such sub-committees shall serve for one week unless for good cause the chairmen of the respective rules committees shall determine otherwise. If the member introducing a public bill, which the committee shall determine should not be printed, so desires, he may appear before the committee at the next meeting thereof with reference thereto.

74. Whenever any resolution or bill is introduced a carbon copy thereof shall be attached thereto, and the Principal Clerk shall cause said carbon copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same. In case the resolution or bill is a public resolution or bill, an additional carbon copy shall also be attached thereto for the use of the Public Printer, under the provisions of Rule 66.
